## Study Progress

### Test Attempts

- First test attempted: scored 13/15 (86.7%), time 40 minutes.
- Second test attempted: scored 10/15 (66.7%), time 20 minutes — likely rushed.

Date	Test	Score	Out of	Duration
today	Test 1	13	15	40 min
today	Test 2	10	15	20 min

### Notes

- Add observations or follow-ups here.
- Pace on Test 2 suggests rushing; slow down and review.

## **Pacing**

- Speed: fast/steady/slow; time vs target (e.g., 20 min vs 40 min).
- Accuracy trend: e.g., 13/15  $\rightarrow$  10/15.
- Next action: e.g., review topics X; aim for 35–45 min.

## **Reflection**

- What improved?
- What was challenging?
- What will I change next time?
