Notes

- Add observations or follow-ups here.
- Pace on Test 2 suggests rushing; slow down and review.

Pacing

- Speed: fast/steady/slow; time vs target (e.g., 20 min vs 40 min).
- Accuracy trend: e.g., 12/15 \rightarrow 10/15.
- Next action: e.g., review topics X; aim for 35–45 min.

Reflection

- What improved?
- What was challenging?
- What will I change next time?
